

# NEWSCAST IDEA: M is for Music

How is music produced? (HINT: 4 ways)

- 1. \_\_\_\_\_
- 2. \_\_\_\_\_
- 3. \_\_\_\_\_
- 4. \_\_\_\_\_

What adaptation did a dinosaur have to allow it to make noise like a brass instrument?

---

---

How might a dinosaur have used that ability?

---

---

Name one cultural significance of the bow.

---

---

How was the bow used in more ways than one?

---

---

What is a sound wave?

---

---

Choose an artifact in the music exhibit and create a newscast about that music instrument. What does the instrument look like? Who created it? How was it used? Do we use it today? Where do we use it? When do we use it? Does the artifact have other cultural impacts?
