

NEWSCAST IDEA: What does it take to be an Astronaut?

Where did Roger B. Chaffee go to school?

What did he want to be when he grew up?

Who was he?

NEWSCAST

Take a picture of yourself wearing a spacesuit.

Why would you want to be an astronaut?

What will you need to do to achieve that goal?

Find some things Roger B. Chaffee did that you have done or can picture yourself doing. Describe it to make that description part of your story.

You could also create a newscast featuring the planet Earth. See the giant globe by planetarium.
